Dear Resident,

The Lemon Field

Minchinhampton Parish Council has become aware that the piece of land enclosed behind Friday Street and Tetbury Street is still potentially available for alternative use.

Some years ago the idea of turning it into a parking area was mooted, and it seems an appropriate time to revisit this idea. This is because the parish council is moving towards sorting out the atrocious parking issues in the town, possibly by introducing limited daytime waiting on central streets.

This letter therefore is an initial exploration of whether you would be interested in becoming part of a scheme which would offer you dedicated private parking on the Lemon Field and where possible rear access to your property.

Obviously this facility cannot be made available free of charge but this council might be minded to front up a consortium offer to the owner. Clearly the properties that can take advantage of this would be significantly enhanced in value and facility.

Should there be sufficient interest in this idea a meeting would be arranged to consider the detail including potential for planning permission, cost, etc.

We would be grateful if you could let us have your views, either via above e-mail or address, by Friday, 26th October, 2018.

If you rent your property could you please pass this letter on to your landlord.

Yours faithfully,

Nick Hurst
Chairman
Minchinhampton Parish Council
